The Secretary to the Government
of His Highness the Maharaja of
Mysore, Local Self Govt: Deptt:

Dated Amritsar, the 26th of November, 1938.

Subject:- Training in practical midwifery of the students of the Medical School, Amritsar.

Sir,

1) With reference to your letter No. Pol 442/Medl: 79-38-2, dated 13-10-1938, I have the honour to state that the first batch of 15 students for training in practical midwifery will reach Mysore in the 1st week of December, 1938, and the 2nd similar batch will follow in January, 1939. The students have been instructed to make their own arrangements for board and lodging but it is hoped that you will kindly afford them all reasonable help in this connection.

A nominal roll of the 1st batch of students is enclosed.

2) It is further requested that if possible arrangements for the training of next two batches of the school in 1939-40 may please be made during summer months of 1939 (June to October) as that would be less likely to interfere with the winter term when most of the teaching is done.

Any further instructions in connection with the matter may kindly be forwarded to this office.
